The Trees by Philip Larkin - Poem Analysis | A Database of ... The Trees by Philip Larkin is a three-stanza poem with an ABBA rhyme scheme and a confused tone that shifts through a series of ideas from the poem's beginning to its end. While it is grounded in the notions of nature and the life of trees, Larkin's reactions to the given observations are numerous, and Larkin does not hesitate to take the reader on his journey through each of those reactions. Philip Larkin | poetryarchive.org About Philip Larkin Philip Larkin (1922-1985) is a poet whose very name conjures up a specific persona: the gloomy, death-obsessed and darkly humorous observer of human foibles and failings. The truth, both about the man and his work, is more complex, but the existence of the popular image points to Larkin's broader cultural influence, beyond the world of poetry. Philip Larkin | Books | The Guardian Philip Larkin exhibition in Hull offers fresh insights into poet's life. Hundreds of personal items gathered for city of culture show that does not shy away from darker sides of his personality.

Philip Larkin Since The Philip Larkin Society was founded in 1995, ten years after the poet's death, it has become a national and international focus for lovers of his writings. Its programme of events provides a forum for the discussion of all aspects of his work: as poet, novelist, jazz critic and librarian.
